

CALL FOR PAPERS!

The **World-AR 2015** calls for papers from inter-related and multi-disciplines since knowledge learned in one context may become a knowledge base in other contexts that could be vital for future technological development and the advancement of knowledge. This is an excellent opportunity to network and share current knowledge. If you are a researcher, educator, practitioner and industry players, or scholar in any area of Economics, Business, Social Sciences, Humanities, Education, Marketing, Finance, Banking, Accounting, Information Technology, Management, Public Administration and Social Policy, Human Resource Management, this **World-AR 2015 Congress** is for you!
